

AMENDED IN SENATE MARCH 23, 2010

SENATE BILL

No. 1452

Introduced by Senator Runner

February 19, 2010

An act to amend Section 3000.03 of the Penal Code, relating to parole.

LEGISLATIVE COUNSEL'S DIGEST

SB 1452, as amended, Runner. Parole: electronic monitoring.

Existing law requires the Department of Corrections and Rehabilitation to release a prisoner on a specified period of parole after the expiration of a specified term of imprisonment. Under existing law, the department is authorized to return a parolee to prison if the Board of Parole Hearings determines that the parolee violated the terms of his or her parole, as specified. Existing law prohibits the department from returning certain parolees to prison, placing a parole hold on the parolee, or reporting the parolee to the Board of Parole Hearings for a violation of parole, as specified.

This bill would provide that a parolee to whom these prohibitions on the department are applicable may be required to wear an electronic monitoring device, for the duration of the parole period, by a local law enforcement agency that has jurisdiction over the location where the parolee resides, as specified. The bill would provide that the cost of acquiring, leasing, and monitoring the electronic monitoring device shall be the responsibility of the local law enforcement agency requiring the wearing of the device.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
